8. Residence and Use Restrictions

8.7. Animal Regulations. No animals, livestock, reptiles, insects, poultry or other animals of any kind shall be kept in any Residence except that usual and ordinary domestic dogs, cats, fish, and birds inside bird cages may be kept as household pets within any Residence provided that they are not kept, bred or raised therein for commercial purposes or in unreasonable quantities or sizes. As used in the Declaration, "unreasonable quantities" shall ordinarily mean more than two - (2) pets per Residence provided, however, that the Board may determine that a reasonable number in any instance may be more or less. The Board shall have the right to limit the size of pets and may prohibit maintenance of any animal which constitutes, in the opinion of the Board of Directors, a nuisance to any other Owner. Animals belonging to Owners, occupants or their licensees, tenants or invitees within the Property must be either kept within an enclosure or on a leash held by a person capable of controlling the animal. Furthermore, any Owner shall be liable to each and all remaining Owners, their families, guests and invitees, for any unreasonable noise or damage to person or property caused by any animals brought or kept upon the Project by an Owner or by members of his family, his tenants or his guests. It shall be the duty and responsibility of each such Owner to clean up after such animals which have deposited droppings or otherwise used any portion of the Common Property or on any public street abutting or visible from the Property.
